

Public Notice Redistricting Election Precincts

Election Precincts 2 and 9 have been modified by the redistricting of Commissioners Court to move the territory of Election Precinct 9, in its entirety, into Election Precinct 2. Election 9 previously encompassed the Vigo Park area from north County Road 3 to the Swisher and Armstrong Counties line, 8300 block of Farm to Market 146, along east County Road I to the Swisher and Briscoe Counties line. The former areas of Election Precincts 2 and 9 will become Precinct 2.

To the extent that the revised election precincts contain territory inside a city with unincorporated territory outside of the affected city, the Commissioners Court, pursuant to 42.007(1) and (2), finds that either of the two areas (within and without the incorporated city) cannot constitute a separate election precinct of suitable size or shape that contains the permissible number of voters, or cannot be combined with other territory on the same side of the city boundary to form an election precinct of a suitable size or shape that contains the permissible number of voters without causing another election precinct to fail to meet those requirements. The Commissioners Court delegates sufficient discretion to the Office of Elections Administration to make such boundary adjustment to said election precincts to facilitate the effective administration of elections, and to pose the least inconvenience to the voters of the affected election precincts.
